

SMS Terms of Service

When you opt-in to receive SMS messages from Atlantic Energy Group, LLC and/or any of its affiliates ("Us", "Atlantic", "we"), we will send you an SMS message to confirm your sign-up for Atlantic notifications. By opting in to any Atlantic text program, you expressly consent to receive text messages that may be sent using an automatic telephone dialing system, by or on behalf of Atlantic, at the phone number you provide. Consent to receive texts is not a condition of purchasing any products or services.

You can cancel the SMS service at any time by texting "STOP". We will send you an SMS message to confirm that you have been unsubscribed. After this message, you will no longer receive SMS messages from us. If you want to start receiving SMS messages again, reply "START" to any of our messages or contact our customer service team.

If at any time you forget what keywords are supported, just text "HELP" for help. We will respond with instructions on how to use our service as well as how to unsubscribe.

Message and data rates may apply for any SMS message sent to you from us and to us from you. Message frequency varies depending upon your interactions with Atlantic, your account activity, and the services you request. If you have questions about your text plan or data plan, please contact your wireless provider. Carriers are not liable for delayed or undelivered messages. We may not be able to deliver messages to all wireless carriers. Supported carriers may change without notice.

By enrolling in SMS messaging, you represent that you are the authorized subscriber or customary user of the mobile telephone number provided and that you are authorized to consent to receive messages at that number. Please review our [Privacy Policy](#) for more information.
